CASE NO. 07 CV 0031 JM (CAB)

**ORDER DENYING WITHOUT
PREJUDICE PLAINTIFF'S EX
PARTE APPLICATION FOR
CONTINUANCE**

(Docket No. 88)

22 On October 9, 2007, Plaintiff filed an ex parte application for a continuance. Plaintiff's request
23 is hereby **DENIED** without prejudice, as a result of Plaintiff's failure to substantiate his request by
24 setting forth the particulars concerning his other commitments. Should Plaintiff immediately advise
25 the court as to his particular involvement in "preparation for a trial scheduled to commence on
26 November 5, 2007, including participating in several out-of-state depositions" (Ex Parte Appl. at 2),
27 //
28 //

1 and should it appear that a short continuance is justified, the court would consider the request upon
2 such a showing.
